

Dancing © Jason Ohler 2002

I watched you dance
From way across the room
When you caught my glance
I knew that we'd be dancing soon.

You held out your hand
And led me out onto the floor
In your embrace
With your sweet breath on my face
I knew what dancing was for.

*We were dancing
We were up and away
In our own world
In our own way.*

*We were dancing
We turned and spun
Two bodies together
Dancing as one.*

It was such a familiar touch
Though we'd never met before
Each step we took
Felt like we'd been there before.

The song moved through us
Carrying us in its trance
All that I knew
Was that I'm meant for you
And we were meant to dance.

*We were dancing
We were up and away
In our own world
In our own way.*

*We were dancing
We turned and spun
Two bodies together
Dancing as one.*

(SOLO)

And when the music stopped
We held each other so long
Then we turned to the crowd
Curtsied and bowed
And then suddenly you were gone.

With silence all around,
I left the floor.
I knew right then
I'd never see you again
But I couldn't have asked for more.

*We were dancing
We were up and away
In our own world
In our own way.*

*We were dancing
We turned and spun
Two bodies together
Dancing as one.*
