

Pig Love © Jason Ohler 1992

I'm gonna love ya  
Til pigs turn blue  
Til cows say quack  
And ducks say moo  
I'm gonna love ya til pigs turn blue  
Even if it takes all day.

I'm gonna love ya  
til pigs can fly  
way up in the  
purple sky  
I'm gonna love ya  
Til pigs can fly  
Even if it takes all day.

#### CHORUS

When pigs can fly and all turn blue  
That's when I'll stop loving you

I'm gonna love ya  
til pigs can dance  
til elephants wear underpants  
I'm gonna love ya til pigs can dance

Even if it takes all...  
Even if it takes all...  
Even if it takes all day
